

# 660 Litre Bin Lifter

Model: VLR-2240.660I

The Pakmor 660 Litre Hydraulic Bin Lifter is a heavy duty machine specifically designed for emptying 120, 240 & 660 Litre plastic mobile garbage bins. The system utilizes an electric motor, hydraulic power unit and cylinders to operate.

The Bin Lifter is mounted inside a Safety Cage and electric interlocked access door.

Machine guarding and access interlocks are designed to comply with Australian Standards.

Front or side loading access to safety cage, tipping high, lift capacity etc. are all customised to suit site and or customer requirements.

Lifters can be supply on castor wheels or feet mounts to bolt directly to a concrete slab
